### Activities & Achievements Highlights

Since the writing of the last report 'Alam Santi Final Report\_ADC19\_Response for Kopernik', the Kebun Berdaya (KB) program has seen some additional achievements.

The team has developed another community garden in Tegeh Sari, and now KB has 2 community hubs and 3 communal gardens.

**SITE 1: Hub Sari Dewi** for nursery and home kit production

**SITE 2: Hub Penguin** for learning, training and demo garden

**SITE 3: STT Youth Garden** for learning, training center that managed by community youth group

**SITE 4: Pecalang Communal Garden** for community demo garden

**SITE 5: Manukrawa Gardens** is the latest addition of a communal garden, using 100m<sup>2</sup> unproductive land.

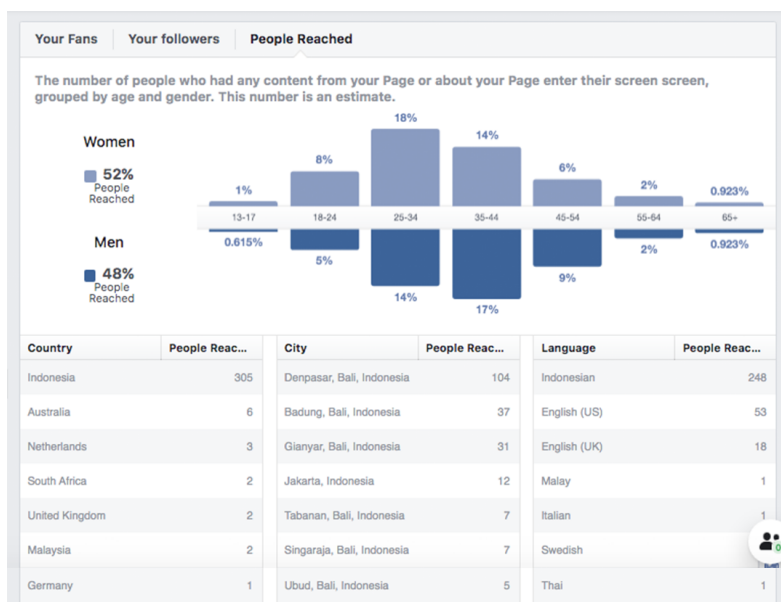

The community organisation at Tegeh Sari has been officially recognized as a 'Kelompok Binaan Dinas Ketahanan Pangan' (Food Security Service Assistance Group) in Denpasar. The vice mayor of Denpasar, I Gusti Ngurah Jaya Negara, SE, visited Kebun Berdaya on August 16th 2020 and donated 1000 seedlings. PPLH Bali has joined the initiative and started working with the community for solid waste separation and management systems.

**Training:** a Training of Trainers (TOT) was held at the STT youth garden to empower the KB team so that they themselves can deliver workshops for their internal team and the general public, and following this the first public training implemented by the KB team was implemented on October 3rd 2020.
